Glass & Backing Board

Standard Glass

High-quality USA made clear glass is 2.00mm thick. Acid-free foam-core is our standard backing and is included with any order for glass. *Orders without glass can purchase backing at a rate of .01/per square inch.*

Museum Glass

Museum Glass is the highest-quality picture framing glass available to the industry. Anti-reflecting technology coupled with 97% UV protection and 90% reflection free.

Acrylic

Clear Acrylic with 87% UV protection is available in sizes larger than 20x24.

How to Price Glass and Backing

length x width = square inch

Standard Glass	\$.04/per square inch
Museum Glass	\$.15/per square inch
Acrylic	\$.08/per square inch

Example

20x24 = 480 square inches
 480 x .04 = \$19.20 for standard glass & backing
 480 x .15 = \$72.00 for museum glass & backing
 480 x .08 = \$38.40 for acrylic & backing
 480 x .02 = \$9.60 for backing only

Shipping Policy on Glass

Glass will not be shipped any size larger than 480 sq inches or 20x24, but acrylic is an option.
